

SCL SR PS4 Clear film

features & benefits

Complies to BS6206 Class B, and UNI 7172.

Meets the requirements of Health and Safety Legislation for safety in glazing.

Provides fragment retention (bomb blast protection) and approved by the Ministry of Defence.

Uniquely, each batch of safety/security film manufactured by CPFilms is tested for adhesive strength. A pass rate of 1500grms / 25mm is consistently exceeded.

Its Pressure Sensitive adhesive has low visual distortion, providing optical clarity.

Protected by a patented scratch resistant coating, tougher than any other in the market, for long term durability and easy cleaning.

Performance Data	
Solar Energy Transmission	84%
Solar Energy Reflection	9%
Solar Energy Absorption	7%
Visible Light Transmission	89%
Visible Light Reflection	9%
Ultraviolet Transmission (Maximum)	5%
Film Colour	Clear
